March 12, 2025

Dear Valued Customer,

Due to tariffs and other inflationary pressures impacting our industry, please note the following price adjustments, **effective March 24, 2025**.

Through our strategic sourcing initiatives, we have proactively worked to minimize the impact of these increased costs. Still, current market conditions leave us no choice but to implement these adjustments.

Cast Iron Fittings 10%	Supply Lines & Stops, Gas Connectors 10%
Steel Nipples and Cut Lengths 10%	Merchant Couplings, Dielectric Unions 10%
Steel Pipe & Pipe Hangers 10%	Malleable Iron Fittings 7%
Push & F1960 Brass Pex Fittings 10%	Brass Ball Valves 10%

Orders placed *before* March 24, 2025 will be honored at current pricing, based on availability. Please note that backorders in these categories will need to be reordered at the new prices.

We appreciate your understanding and continued support. Please email Sales@alroproducts.com or call us at 718-566-1000 with any questions.

Thank you for your loyalty and understanding!
