September 19, 2025

Dear Loyal Customers,

The combined effect of Section 232 copper and steel tariffs along with worldwide reciprocal tariffs has resulted in significant increases to material costs. To address this, Alro Products will increase pricing on the following product lines, **effective end of day, Friday October 3, 2025.**

<u>Product line</u>	<u>Increase</u>	<u>Product line</u>	<u>Increase</u>
Carbon Steel Press fittings	7 %	PEX fittings – PPSU & EPPSU	10 %
Steel Nipples & Cut Lengths	10 %	Push fittings	10 %
Pipe Hangers	20 %	Wrot Copper fittings	20 %
Brass Nipples & Fittings	25 %	Cast Copper fittings	10 %
PEX Tubing – A & B	10 %	Press Copper fittings	15 %
PEX Fittings – Brass Crimp	20 %	Steel Couplings	20 %
PEX Fittings – EXPN Brass	15 %	Steel Nipples XH	20 %

We appreciate your understanding, as these changes are driven by government policy and global market conditions beyond our control.

Updated price sheets will be available on our website. Orders exceeding usual amounts may be limited. Please contact your Alro sales representative with any questions.

Thank you,

Alro Products Int'l
