Subject: Alro Products Price Update

Dear Valued Customers,

Due to tariffs and other inflationary pressures impacting our industry, along with continued increases in material, freight, and operating costs, we will be implementing a price adjustment on the product categories listed below.

New pricing will be in effect end of day Friday, July 31, 2026.

PRODUCT CATEGORIES	INCREASE	PRODUCT CATEGORIES	INCREASE
Wrot & Cast Copper Fittings	15%	PPSU & EPPSU Plastic PEX Fittings	7%
Brass Nipples & Brass Fittings	15%	Brass Ball Valves, Supply Lines & Stops	5%
Brass Crimp & Expansion PEX Fittings	10%	PVC DWV & SCH 40 Fittings	5%
Press Copper & Push Fittings	10%	Rubber Couplings (No Hub & Flex)	5%
Cast Iron Fittings & Dielectric Unions	10%	PEX A & B Tubing	4%

Orders placed by July 31, 2026 will be honored at current pricing, based on availability. Orders exceeding usual amounts may be limited.

Updated price sheets will be available on our website. We appreciate your understanding and support.

Please email Sales@alroproducts.com or call 718-566-1000 with any questions.
